TRUST

Kubulus er KU's alumneforening for nuværende og tidligere studerende. Kubulus har til formål at skabe sociale og faglige netværk for sine alumner. Læs mere på kubulus.ku.dk.

The Open Platform Company

How the future looks is up to **YOU!**

Milestone Systems is the global industry leader providing true open platform IP video management software and a future-proof security solution. Our XProtect™ product delivers powerful surveillance that is easy to manage, and proven in over 50,000 customer installations around the world. XProtect provides best-of-breed solutions to 'video enable' organizations – reducing costs, optimizing processes, protecting people and assets. Headquartered in Denmark and with ten offices around the world, Milestone and its open platform is poised for unlimited future expansions. www.milestonesys.com

Getting satisfaction from what you do.
Just another day at the office
for a high performer.

Choose Accenture for a technology career where the variety of opportunities and challenges allows you to make a difference every day. A place where you can develop deep technical skills using the latest software and tools, and work with the smartest people worldwide to do what hasn't been done before. The only place where you can work with our global clients to create and deliver innovative solutions that help them achieve high performance.

If this is your idea of a typical working day, then Accenture is the place to be.
